Day by Day Itinerary

Day 1: Nairobi to Masai Mara and Afternoon Game Drive

Your safari begins with an early morning pick up from your hotel or airport in Nairobi. After a short briefing, you depart by road heading west through the scenic Great Rift Valley. You pause at a viewpoint where you enjoy breathtaking views of the escarpment and take photos before continuing the journey through small towns and rolling countryside.

Arriving at Masai Mara around midday, you check in at your lodge or camp and enjoy a freshly prepared lunch. After some time to relax and settle in, you head out for your first afternoon game drive.

This first drive is always exciting as the landscape opens into endless savannah dotted with acacia trees. You may spot elephants grazing, giraffes browsing the treetops, and antelopes scattered across the plains. As the sun lowers, predators become more active, giving you a good chance to see lions or cheetahs beginning their evening hunt.

You return to camp at sunset for dinner and a peaceful night surrounded by the sounds of nature.

You may encounter lions resting after a hunt, hyenas returning to their dens, or herds of buffalo moving across the plains.

After breakfast, you continue exploring deeper into the reserve with a packed picnic lunch. Your guide tracks wildlife and shares fascinating insights about animal behavior, birds, and the ecosystem. You visit different habitats including open grasslands, riverbanks, and wooded areas, each offering unique sightings.

If visiting during migration season, you may witness huge numbers of wildebeest and zebra crossing the plains or gathering near the Mara River. The sheer number of animals is breathtaking and creates unforgettable photographic moments.

In the late afternoon, you enjoy lunch at a scenic picnic site under a tree before continuing with more game viewing. You may also choose an optional visit to a Maasai village to learn about local culture, traditions, and daily life.
