4 Days Murchison Falls Safari Uganda

4 Days | Uganda | Kampala, Murchison Falls National Park, Entebbe

From \$14,200 per person sharing

Package Overview

This four day Uganda safari is a carefully paced short escape that combines Kampala city culture with the raw wilderness of Murchison Falls National Park. Guests begin with a guided cultural introduction to Kampala, visiting important royal, religious, and historical landmarks before continuing north through scenic countryside to Ziwa Rhino Sanctuary for rhinoceros tracking on foot. The journey then enters Murchison Falls National Park, where the Nile forces its way through a narrow seven metre gorge and where game drives across the northern savannah reveal elephants, giraffes, buffaloes, lions, antelopes, and other wildlife. A Nile boat safari to the bottom of the falls completes the experience with close views of hippopotamus, Nile crocodiles, riverbank wildlife, and birdlife. The itinerary is ideal for guests who want a compact but rich Uganda safari with luxury lodge comfort and meaningful conservation encounters.
